CHRISTABEL ATIENO BUNDE

CAREER SUMMARY

A dedicated and innovative data scientist with a passion for transforming complex data into actionable insights. Known for a solid foundation in statistical analysis, machine learning, and business intelligence to deliver solutions that drive operational excellence. With exceptional communication skills, adept at bridging the gap between technical complexities and practical applications, ensuring seamless collaboration across multidisciplinary teams.

SKILLS & ABILITIES

Interpersonal skills: Strong interpersonal skills to lead facilitate and support cross functional team projects across the entire organization.

Exceptional analytical skills: Possess a creative yet analytical mind with a problem-solving aptitude to analyze data, translate it into informative visuals and reports, identify trends and develop sound recommendations.

• Advanced communication and technical skills: An ability to communicate observations and actions from the data with visualization applications (i.e. Power BI, etc.), deliver clear written reports, presentations and graphically present complex data to key stakeholders.

•Data analysis Solid understanding of statistical techniques, strong problem-solving skills and the ability to drive actionable insights by performing data analysis of several large and complex databases.

EXPERIENCE

I did Google Data Analytics offered by google
Did Python for data science offered by IBM
Did bootcamp training for data analysis offered by Women Techsters
Did Data Scientist with Python offered by DataCamp

Under various trainings
- Learnt python and its libraries such as NumPy and pandas
- Learnt Excel and Power BI
- Learnt some parts in SQL and R
- Learnt machine learning

EDUCATION

Bachelor in data science and Analytics

Jomo Kenyatta University of Science and Technology

Waiting graduation

Kenya Certificate of Secondary Education

Mbaga Girls High School

2021

Kenya Certificate of Primary Education

St Mary's of the Angels Montessori School

2015

| COMMUNICATION | Excellent written and verbal communication skills. Confident, articulate, and professional speaking abilities. Empathic listener and persuasive speaker Excellent presentation and negotiation skills. |
